

Greetings from RGM TTC, BSNL!!!

RGM TTC the training centre unit of BSNL, is in the forefront of Telecom industry with core focus on Telecom technologies & Computer Networking.

RGM TTC is located on GST Road, Meenambakkam, opposite to the Old Airport of Chennai. It has dynamic access to all places by Air, Road and Rail. The strength of this Training Centre, lies in its rich and sprawling campus, robust material infrastructure and exceptionally talented, trained, qualified, highly motivated and dedicated human resource pool emphasizing personalized training with equipment intensive hands-on applications.

RGM TTC was originally established during early sixties under the administrative control of the Tamilnadu Telecom Circle of erstwhile P&T Department, then the Department of Telecom of Government of India. As an in-house training institution of DOT, RGM TTC has groomed the Indian talent in the telecom sector for the last Seven decades.

When BSNL was formed in October 2000, the training center also came under the fold of the BSNL. With the liberalization and convergence paradigms, RGM TTC is ready and equipped for its competitive role when the

training demands expand and reshape along with the explosive growth of Telecom and IT sector.

The strength of RGM TTC lies in its rich and sprawling campus, robust material infrastructure, and exceptionally talented, trained, qualified and highly motivated human resource pool. Well qualified, trained and experienced officers are posted as faculty to impart knowledge & skill.

BSNL, being the Service Provider of Landline (POTS), GSM, CDMA, 3G, 4G-LTE, Computer Networking, MPLS - VPN, Broadband, Telecom Switching, Optical Fiber, Rural Communication, Web-Hosting, Wi-Fi, Wi-MAX and India's indigenous 4G in near future, we assure to make a difference in the training pattern with all high end equipments in a single location With well experienced Subject Matter Experts the participants can have industry knowledge oriented training in its true sense.

The prestigious labs available at RGM TTC includes

- **Mobile**
- **Optical Fiber Lab**
- **FTTH with OLT, ONT with FUSION SPLICER**
- **NG SDH, DWDM and MADM**
- **Computer Networking**
- **MPLS VPN**
- **Broadband & Multiplay**
- **ISP**
- **Internet of Things (IoT)**
- **Civil and Electrical**

RGM TTC's training Clientele includes Tamil Nadu Skill Development Corporation(TNSDC), Accenture, NSDC, Verizon, Power Grid Corporation Of India Limited, Southern Railway, HCL, Infosys, India Post, University of Madras etc

RGM TTC is accredited by National Skill Development Corporation (NSDC), Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY),

Puducherry Skill Development Society (PSDS), CMRL and Asia Pacific Telecommunity (APT).

RGMTTC had trained and extended placement assistance to around 50,000 candidates under skill development training which resulted in placement of more than 10,000 candidates. As a part of the training, it acts as nodal centre for extending real time exposure to telecom operation in BSNL network across India to the candidates.

RGMTTC also offers corporate trainings like VERIZON, PGCIL, Railways etc as well as Student trainings like In plant Training, Internship, Industrial visits and also TNSDC sponsored free training courses to unemployed youth in various telecom related courses

Some of the training conducted by RGM TTC are

- 1. Recent Trends in Data Access Technologies**
- 2. Communication and Networking Technologies**
- 3. Next Generation Data Networks**
- 4. Implementation of Mobile Network Models**
- 5. Enterprise Data Networking Technologies**
- 6. Broadband Technician**
- 7. Optical Fiber Splicer**

and Customized courses in any Telecom Technologies

Few of our Infrass.

With Warm Regards

V.SAKTHIVEL
