Chennai.**

The course on **“Cell Phone Servicing”** was conducted at our college from **29.07.2013 to 03.08.2013** by the faculty from RGM TTC, BSNL, under the scheme initiated by Tamilnadu Skill Development Mission.

Though so many courses had been conducted at our college still our students felt that this course was the best and they were extremely happy about the extraordinary method of delivery of the faculty and associated staff.

To be more specific, we would like to place on record the amazing performance of the BSNL staff viz., **R.Sivashanmugam TTA, A.Ramprasad TTA, P.Selvaraj TM and A.G.Gajendran TM.**

We convey our appreciation and congratulate all
